

RITUAL NIGHT!

A Night of Worship

Two Friday's a Month ~ Check Calendar

6:30-8:30pm

(donation)

A very sacred evening for all local initiates, light workers,
and anyone interested in finding their way on this
empowering path of prayer & service!

Our circle offers a safe, meditative, & very spiritual
environment for all of us to receive greater healing &
guidance from up above, as well as down below.

"We either fear that the human culture is falling apart, or we can hold the vision
that we are awakening. Each of us must consciously choose between
these two futures."
